Specializing in Quality Pine Reproductions

Eclectic Bedroom Settings

French Armoire

Our armoires may be customized to meet your individual requirements as entertainment units, for clothing, linens

European and country designs have inspired our bedroom collection. They may be custom tailored to meet your specific needs as matched sets, or mixed, for a more eclectic look.

Thomas' *elegant* country dining suites provide the ideal setting for your most memorable evenings.

All of Thomas' pieces are built with pride and *quality* by our master craftsmen and can be finished to complement existing *heirlooms* or those destined to become new ones
